

ALL BUT FOUR WERE SAVED

Of the Crew and Passengers of Tug Reliance in Lake Superior

SURVIVORS ARE BEING BROUGHT IN

They Were Rescued From the Black Lizard Islands

Sault Ste Marie, Mich., Dec. 19.—The tugs Grey and Favorite were expected to reach here to-day with survivors of the wrecked tug Reliance, which was disabled on the rock shores of the Lizard Islands in northern Lake Superior nearly a week ago. Four persons lost their lives when the small craft foundered and a fifth was reported near death to-day, from exposure.

The dead are Captain John McPherson, Fred Regan, Gus Johns and an unidentified man, who were swept from the deck of the Reliance as they were about to lower a lifeboat with which they hoped to reach the mainland.

SUES BETHEL TANNERY.

John Miner Claims Hides Returned to Him Were Not First Class.

Hyde Park, Dec. 19.—John Miner, who operates one of the largest slaughter houses in Vermont, is suing

the Bethel Tannery Co. for \$10,000 in Lamolite county court. It is alleged by Miner, whose slaughter house is situated in this vicinity, that he sent 3,000 hides to Bethel to have them tanned. The plaintiff claims that the hides were not returned in first class condition and is of the opinion that the difference between what he paid

for and the goods which he received reaches the amount of \$10,000.

The case against Isaac LeClair, who was charged with defrauding an insurance company out of \$500, was dismissed by the jury because of an evidence which had been produced to substantiate the charges to the effect that LeClair set fire to his barn.

Boost Your Business By Telephone

If you want to get new customers, hold the present ones, help your salesmen and save selling expense, tim and nergy, we suggest:

First, that you talk with one of our managers and have him tell you what toll service has done for others in increasing sales.

Second, that you appropriate \$100 or more for a special toll campaign.

Third, that you select a list of prospective customers.

Fourth, that you put your best salesmen on the job and ask the toll operator to help you.

If you do these things in an orderly, businesslike way, we are confident it will prove one of the best investments you can make.

You can save time and at least twenty per cent on toll charges by using station-to-station service; that is, by asking for a number, or for the listed name of a subscriber, and not for a particular person.
